RE: AUTHORIZED SIGNATURE FOR

To Airport Operations:

The persons listed below are principal representatives of _____ and will review and approve all requests from _____ for Sarasota Bradenton International Airport ID Badges. No other signatures may be honored. A fingerprint-based criminal records check (CHRC) and Security Threat Assessment, as required by the Transportation Security Administration (TSA), must be successfully completed on the individuals listed below, who clearly understand the requirements of the ID Badge Program and will assume all responsibilities associated with being an authorized signer. Initial SIDA training is also required for those individuals and will be completed as necessary. You will be notified in writing of any changes to this authorization letter.

Sincerely,
