

When You're Ready...We're Ready.

What to expect from SRQ & the changes we've made to keep travelers safe.

Face Coverings

Required for all Airport employees in public areas. All travelers and guests are strongly encouraged to wear them.

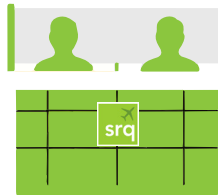

Cleaning

More frequent cleaning with hospital grade cleaning products.

Ground Markings

Symbols have been installed on the ground to encourage proper spacing.

Plastic Shields

All ticket counters, boarding gates, restaurants, shops, security checkpoint, rental counters and other areas with high traffic now have shields.

Hand Sanitizers

Hand sanitizing stations are available in high-volume and high-touch areas.

TSA Checkpoint

Wider security lanes and larger queue lines to maximize social distancing.

Give Yourself Time

All guests are encouraged to arrive two hours before their flight to reduce overall congestion.

Touch Points

All guests are encouraged to use mobile boarding passes and carry on luggage.

Thank you for choosing SRQ
